INDEX OF EVENTS:

08/14/17	Order Entered: 1 . Atmos's Petitions for confidential protection for designated material contained in the three additional Service Agreements and the cost analysis associated with each, filed on March 16, 2016, and September 1, 2016, are granted. 2. Atmos's Petitions for confidential protection for designated material contained in its responses to Staff's Second Request, Item 1, filed on March 31, 2016, and April 29, 2016, are granted. 3. Atmos's Petition for confidential protection for designated material contained in its supplemental response to the Commission's April 12, 2016 Order regarding 'Service Agreement 2016-00052-I and Service Agreement 2016-00052-J, filed on September 22, 2016, is granted. 4. Atmos's Petitions for confidential protection for designated material contained in its amendments to Service Agreement 2016-00052-H, filed on September 29, 2016, and October 20, 2016, are granted. 5. The designated material set forth in Service Agreement 2016-00052-H, Service Agreement 2016-00052-I, Service Agreement 2016-00052-J, and the cost analysis associated with each; the designated material in Atmos's response to Staff's Second Request, Item 1; the designated material contained in Atmos's supplemental response to the Commission's April 12, 2016 Order regarding Service Agreements 2016-00052-1 and Service Agreement 2016-00052-J; and the designated material in Atmos's amendments to Service Agreement 2016-00052-H shall not be placed in the public record
07/28/17	Order Entered: 1 . Atmos's Petition for confidential protection for designated material contained in its response to Staff's First Request, Items 1, 2 and 3 of Staff's First Request is granted. 2. The designated material set forth in the Atmos's response to Staff's First Request, Items 1 , 2 and 3 shall not be placed in the public record or made available for public inspection indefinitely, or until further Orders of the Commission. 3. Use of the designated material in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Atmos shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential protection. 5. If a non-party to this proceeding requests to inspect material granted confidential protection by this Order and the period during which the material has been granted confidential protection has not expired, then Atmos shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878(1)(c). If Atmos is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
07/27/17	Order Entered: 1. Atmos's seven Petitions filed on December 16, 2015, January 11, 2016, and January 19, 2016, for confidential protection for designated material contained in seven Service Agreements and the cost analysis related to each of these agreements, are granted. 2. The designated material set forth in the seven Service Agreements and the cost analysis related to each agreement shall not be placed in the public record or made available for public inspection indefinitely, or until further Orders of the Commission. 3. Use of the designated material in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Atmos shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential protection.
