12/27/17	POST CASE: Western Lewis-Rectorville Water & Gas District Final Project Cost
03/31/16	Final Order Entered: 1. Western Lewis-Rectorville is granted a CPCN for the proposed construction as set forth in its application. 2. Western Lewis-Rectorville's proposed plan of financing is approved. 3. Western Lewis-Rectorville is authorized to obtain a KIA loan in an amount not to exceed $1,266,500 with 30 percent principal forgiveness at an interest rate not to exceed 0.75 percent per annum, maturing over 20 years. 4. The proceeds from the ARC grant and KIA loan shall be used only for the purposes specified in Western Lewis-Rectorville's application. 5. Western Lewis-Rectorville shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. 6. Notwithstanding ordering paragraphs 4 and 5, if surplus funds remain after the approved construction has been completed, Western Lewis-Rectorville may use such surplus to construct additional plant facilities if RD approves of the use and the additional construction will not result in a change in Western Lewis-Rectorville's rates for service. Western Lewis-Rectorville shall provide written notice of this additional construction in accordance with 807 KAR 5:069, Section 4. 7. Western Lewis-Rectorville shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs (e.g., engineering, legal, and administrative) within 60 days of date that construction is substantially completed.
