INDEX OF EVENTS:

02/03/21	Order Entered: 1. Atmos's motions for confidential protection are granted. 2. The designated material shall not be placed in the public record or made available for public inspection indefinitely or until further Order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Atmos shall inform the Commission if the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Atmos shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878.
02/26/20	Order Entered: 1. Atmos's December 10, 2018 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for an indefinite period, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Atmos shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, Atmos shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Atmos is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow Atmos to seek a remedy afforded by law.
06/27/19	POST CASE: Jacky Shadowen Public Comment
05/07/19	Final Order Entered: 1. The rates and charges proposed by Atmos are denied. 2. The rates in Appendix B to this Order are approved for service rendered by Atmos on and after May 8, 2019. 3. Atmos's proposal to calculate depreciation rates based on the ELG methodology is denied and its depreciation rates shall be calculated using the ALG methodology, as discussed in the finding above. 4. Atmos shall file a new depreciation study using the ALG procedure for Commission review by the earlier of five years from the date of this Order or the filing of its next general rate application. 5. Atmos shall establish a regulatory liability in the amount of $3,676,784 for the remainder of the reduction in depreciation expense, the amortization of which will be addressed in Atmos's next base rate case. 6. Within 20 days of the date of this Order, Atmos shall file with the Commission the accounting entries made on its books of account to effectuate the creation of the regulatory liability required by ordering paragraph 5. 7. Within 20 days of date of this Order, Atmos shall file with the Commission, using the Commission's Electronic Tariff Filing System, new tariff sheets setting forth rates, charges, and revisions approved herein, including those required for the PRP, and reflecting their effective date and they were authorized by this Order. 8. Absent a request for rehearing, case will be closed and removed from Commission's docket upon expiration of statutory period to request rehearing.
