The Attorney General's petition for rehearing on the issue of the representation of jointly-sponsored witness testimony as both parties' position is denied. 4. The Attorney General's petition for rehearing on the issue of the ESPP is granted to the limited extent that the following is inserted into page 47 of the Final Order before the "Deferred Maintenance Expense" section. Employee Stock Purchase Program Kentucky-American offers an employee stock purchase program (ESPP) that is a voluntary, optional employee benefit available to all full- and part-time employees. Effective in May 2019, Kentucky-American employees who make this election pay 85 percent of the cost to purchase American Water common stock through payroll deduction at post-tax dollars. In his post-hearing brief, the Attorney General asserts that \$17,459 that was included in rate base for the ESPP should be disallowed. The Attorney General argued that the ESPP is part of a generous compensation package that allows employees to purchase stock at a discount and that customers should not pay for this employee benefit. LFUCG did not address this issue in its post-hearing brief.
