07/11/24	POST CASE: Gerald E. Wuetcher South Woodford County Water District Notice of Filing of Assistance Agreement
03/11/24	Final Order Entered: 1. South Woodford District is granted a CPCN to purchase and install approximately 1,765 radio read water meters and related equipment, and to construct a booster pump station to replace the existing pump station as proposed in its application. 2. South Woodford District shall immediately notify the Commission upon knowledge of any material changes to the projects, including but not limited to increase in cost and any significant delays. 3. Any material deviation from the construction approved by this Order shall be undertaken only with prior approval of the Commission. 4. South Woodford District shall file with the Commission documentation of total costs of the projects, including the cost of construction and all other capitalized costs (e.g., engineering, legal, administrative, etc.) within 60 days of the date that the construction authorization under this CPCN is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. South Woodford District shall file a copy of the as-built drawings of the proposed pump station project and a certified statement that the construction has been satisfactorily completed in accordance with the construction plans and specifications within in 60 days of the substantial completion of the construction discussed herein.
