Regular Cases Before the Commission as of November 13, 2026

06/18/26	Andrea M. Fackler Louisville Gas and Electric Company Pilot Generation Recovery Report for the Expense Month of May 2026
06/10/26	Order Entered: 1. DOD/FEA's November 13, 2025 petition for confidential treatment is granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for an indefinite time period, or until further order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9). 4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, DOD/FEA shall inform the Commission and file with the Commission an unredacted copy of the designated material. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, DOD/FEA shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If DOD/FEA is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
06/08/26	Order Entered: 1. LG&E/KU's motion for a briefing deadline is granted. 2.
