

## Instructions for Completing Kentucky Telecommunication Relay Service and Telecommunication Access Program Fund Report

The surcharge rate for the Kentucky Telecommunications Relay Service ("TRS") Fund is two cents (\$0.02) per access line, collected on a monthly basis. The surcharge rate for the Kentucky Telecommunications Access Program ("TAP") is two cents (\$0.02) per access line, collected on a monthly basis. The combined surcharge is four cents (\$0.04) per access line, collected on a monthly basis. Following are instructions for completing the form and definitions of the terms on the form.

All Incumbent Local Exchange Carriers ("ILECs"), Competitive Local Exchange Carriers ("CLECs"), and Wireless Providers are required to collect the surcharges from their customers on a monthly basis.

The surcharges should be collected for all local exchange access lines. Local exchange access lines are defined for this purpose as facilities which provide access to and from the telecommunications network for toll service and for local calling with the exception of Coin, WATS, remote call forwarding, radio common carriers, interlata foreign exchange lines, private line services, mobile, other common carriers, and company official accounts.

The surcharges should be collected for all wireless subscribers including analog and digital cellular and PCS.

Each carrier should collect the surcharge from the customers it serves on a retail basis; wholesale accounts should not be charged the surcharge. The combined surcharge should appear on each customer's bill as "Kentucky TRS/TAP Surcharge" or a similar facsimile.

Carriers may contribute to the fund on a monthly or quarterly basis depending on the number of subscribers served. Carriers with less than 1,000 access lines may contribute on a quarterly basis. Carriers with greater than 1,000 access lines should continue to contribute on a monthly basis. Carriers contributing on a quarterly basis will still be required to submit separate reports for each month but remit them to the fund on a quarterly basis. Reports are due within 15 days following the reporting month.
