RE: KRWA Comments  
Proposed PSC Regulation 807 KAR 5:006, Section 7(5)(c)

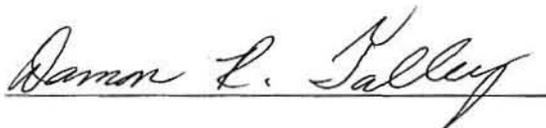

Dear Mr. Wuetcher:

The Kentucky Rural Water Association, Inc. (KRWA) opposes the proposed regulation 807 KAR 5:006, Section 7(5)(c) as submitted to the LRC and the substituted language which was proposed by PSC staff on August 31, 2012.

KRWA has no objection to the proposed revisions to 807 KAR 5:006, Section 26(6)(b). KRWA objects, however, to requiring utilities to manually verify AMR meter readings for the purpose of documenting that the annual system inspection required by 807 KAR 5:006, Section 26(6)(b) was actually performed.

KRWA proposes that 807 KAR 5:006, Section 7(5)(c) be deleted from the proposed regulations.

Yours truly,  
DAMON R. TALLEY, P.S.C.
