RE: KRWA Comments
Proposed PSC Regulations

Dear Mr. Wuetcher:

Overall, the Kentucky Rural Water Association, Inc. (KRWA) supports the proposed revisions to 807 KAR 5:001, 5:006, 5:011, and 5:076. The changes contained in the proposed regulations incorporate many of the existing PSC policies and procedures. In addition, the proposed regulations are better organized than the existing regulations.

KRWA requests that a technical correction be made in 5:006, Section 15(1)(f)4. The reference to KRS 74.408 is incorrect. The correct reference is 74.407. The 2012 Regular Session of the General Assembly enacted Senate Bill 150, which amended KRS 74.407 to authorize water districts to discontinue water service for a customer's failure to pay his bill for sewer service.

Yours truly,

DAMON R. TALLEY, P.S.C.
