RE: 2008 Water Personnel Training Seminars

As Executive Director of the Public Service Commission, I want to personally let you know how important I believe water issues are to the citizens of Kentucky. With the ever-changing environment that water utilities are operating in today, it is vital to stay informed of important industry issues. In an effort to assist utilities, I am pleased to announce the dates and locations for this year's three Water Personnel Training Seminars.

September 10th and 11th – Lake Barkley State Resort Park
September 23rd and 24th – Lake Cumberland State Resort Park
October 15th and 16th – Jenny Wiley State Resort Park

I am also pleased to announce that the seminars will be co-hosted again this year by Kentucky Rural Water Association.

The seminars are designed for the decision-makers, but I would encourage office personnel to attend with their commissioners. Topics will include legal issues, consumer relations, rates, and other issues facing water personnel.

Although the seminars are planned primarily for water districts and associations, I would like to take this opportunity to invite other municipal utility personnel that would like to attend.

A registration form for the seminars is attached for those who plan to attend. To help defray the cost of the sessions, a \$50.00 non-refundable registration fee will be charged for each person attending the seminars. Registration forms and fees should be returned by the registration deadline for the specific location that you plan to attend. Checks are to be made payable to the "Kentucky State Treasurer".

Should you have any questions or comments, please do not hesitate to contact Sonya Boyd, of my staff, at (502) 564-3940, ext. 240.

Sincerely,

Stephanie Stumbo
Executive Director
