CASE NO. 7787

O R D E R

On June 20, 1980, the Commission issued its Order requiring Jackson Purchase Electric Cooperative Corporation to file additional information relating to the thirty-eight (38) miles of existing 69 KV transmission line and right-of-way options it proposes to purchase from Kentucky Utilities Company.

On June 27, 1980, the Company filed its response wherein it stated it is unable to comply with the provisions of the Order of June 20, 1980, since the information requested in the Order is peculiarly within the knowledge of Kentucky Utilities Company, the seller. The Company, therefore, asked to be relieved from the June 30, 1980, filing date imposed by the Order.

The Commission, having considered the application and response to the request for additional information, is of the opinion and finds that the information requested in its Order of June 20, 1980, is necessary in order for the Commission to make its decision in this case, therefore, the Company's request to extend the time requirement should be approved.

IT IS THEREFORE ORDERED, that the Company's request to be relieved from filing the information by June 30, 1980, be and it hereby is granted.

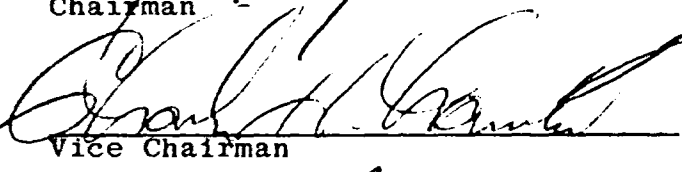

IT IS FURTHER ORDERED, that Jackson Purchase Electric Cooperative Corporation and Kentucky Utilities Company be and they

hereby are jointly ordered to supply the information set out in the Commission's Order of June 20, 1980, by August 31, 1980.

Done at Frankfort, Kentucky, this the 8th day of August, 1980.
