CLAUSE )

CASE NO. 7917

O R D E R

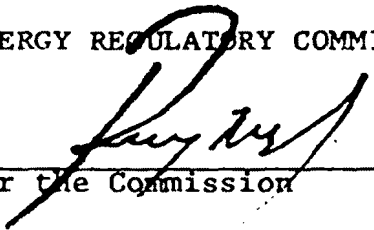

IT IS ORDERED That Big Rivers Electric Corporation shall furnish the following information requested at the hearing held November 19 and 20, 1980:

1. a copy of the 1981 budget (when available);
2. number of employees as of 9/1/80 at Green River Units;
3. amount of Green Unit maintenance expenses which was labor costs;
4. amount of maintenance labor costs which was done by Big River employees and that done by outside laborers;
5. breakdown of test year wages paid by bargaining and unionized;
6. all rate case expenses in the test year;
7. an analysis of 1979 actual property taxes for the test year;
8. fulfill the request of October 14, 1980 and supply the working papers used to determine all pro-forma revenue and expense amounts included in Exhibit 5 to the application. Where pro-forma amounts include revised cost figures as well as changes in volumes the derivation of the pro-forma units and cost should be justified by any information that is available to the company but not available to the Commission in this record. To verify the validity of the pro-forma amounts, comparisons of the actual test year amounts should be included.

IT IS FURTHER ORDERED That additional information requested at said hearing and not specified herein shall also be furnished.

Done at Frankfort, Kentucky, this 20th day of November, 1980.
