111(d)(1) OF THE PUBLIC UTILITY	)	CASE NO. 203(d)
REGULATORY POLICIES ACT	)	

O R D E R

On April 28, 1981, Kentucky Power Company, ("Company"), by counsel, filed its First Set of Interrogatories, Data Requests and Requests for Documents directed to the Public Service Commission Staff. On April 28, 1981, the Company also filed its Motion for Continuance requesting that the hearing scheduled May 6, 1981, be rescheduled approximately two weeks following receipt by the Company of responses to the interrogatories and requests.

On May 1, 1981, the Public Service Commission Staff, by counsel, filed its Motion for Protective Order (relative to the interrogatories, data requests and requests for documents) and Response to Request for Continuance.

The Commission, having considered the matter and being advised, is of the opinion and finds that the Public Service Commission Staff should respond to the following Interrogatories, Data Requests and Requests for Documents: 3, 4(a), 6, 7, 8(a),(b),(c) and (d), 9(a) and (b), 10, 11, 12 and 13.

The Commission further finds that the Public Service Commission Staff should not be required to respond to the other enumerated interrogatories and requests since they are either unduly burdensome, matters of public record and available to all parties, matters which are proprietary in nature or matters which may be pursued by cross-examination.

The Commission further finds that by Order entered May 1, 1981, the Motion for Continuance filed by the Company was overruled.

IT IS THEREFORE ORDERED That the Public Service Commission Staff shall respond to the interrogatories and comply with the data requests and requests for documents as set forth in the above finding and that said responses, data and documents shall be filed by 3:00 p.m., Eastern Daylight Time, on May 4, 1981, in the office of the Secretary of the Commission, and shall be available to parties of record.

Done at Frankfort, Kentucky, this 1st day of May 1981.
