In the Matter of:

THE NOTICE OF PURCHASED GAS        )  
ADJUSTMENT FILING OF                )  
BELFRY GAS, INC.                     )        CASE NO. 7341-F

O R D E R

On July 19, 1979, the Commission issued its Final Order in Case No. 7341 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased.

On December 12, 1980, the Applicant, notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation (Transmission), effective September 1, 1980, and submitted with its Notice certain information in compliance with this Commission's Order of July 19, 1979. The Notice set out certain revisions in rates which the Applicant proposed to place in effect, said rates being designed to pass on the wholesale purchased price from its supplier in the amount of \$1,873.

After reviewing this evidence of record and being advised, the Commission is of the opinion and finds:

1. That the Applicant's supplier, Transmission, has filed with the FERC for decreased rates to become effective September 1, 1980.
2. That this decrease reflects Transmission's rates as filed with FERC on July 31, 1980, and to be effective September 1, 1980.
3. That the Applicant's adjustment in rates under the Purchased Gas Adjustment Clause approved by the Commission in its Order in Case No. 7341, dated June 19, 1979, is fair, just and reasonable, in the public interest and should be effective with gas supplied on and after the date the decreased cost of wholesale gas becomes effective.

IT IS THEREFORE ORDERED that said Purchased Gas Adjustment sought by the Applicant and adjusted as aforesaid mentioned be and the same is hereby approved to be effective with gas supplied on and after the date the decreased cost of wholesale gas becomes effective ("acceptance" by FERC) as set out in Appendix "A" attached hereto and made a part hereof.

IT IS FURTHER ORDERED that for the purpose of the future application of the Purchased Gas Adjustment Clause of the Applicant the Base Rate for purchased gas shall be:

	<u>Commodity</u>
Columbia Gas Transmission Corporation	\$2.5421 per MCF

IT IS FURTHER ORDERED that the information furnished this Commission by Applicant on December 12, 1980, constitutes full compliance with the Commission's Order in Case No. 7341 and any other information ordinarily required to be filed under the Commission's Regulations is hereby waived.

IT IS FURTHER ORDERED that within thirty (30) days after the date the decreased cost of gas becomes effective, Applicant shall file with this Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 14th day of January, 1981.
