

COMMONWEALTH OF KENTUCKY  
BEFORE THE UTILITY REGULATORY COMMISSION

\* \* \* \* \*

In the Matter of:

ADJUSTMENT OF RATES OF THE )  
CHARLESWOOD SEWAGE TREAT- ) CASE NO. 8053  
MENT PLANT )

O R D E R

IT IS ORDERED That Charleswood Sewage Treatment Plant shall file an original and twelve (12) copies of the following information with the Commission by March 24, 1981.

1. Provide a copy of the following information:
  - Contracts for managers services
  - Bill for sludge hauling during the test period
  - Electricity bills for the test period
  - Water bills for the test period
  - Amortization for long-term debt showing principal and interest separately
  - Invoices for the repair and maintenance work performed during the test period.
2. Provide a breakdown of the total charges from Butler Construction Company for the test period ending August 31, 1980.
3. Provide a breakdown of taxes other than income of \$4,476.
4. Provide the computations used to determine the operation labor expense of \$19,828.
5. Explain the rise in office expense from \$0 in 1979 to \$1,275 by the end of the test period, August 31, 1980.
6. Provide an explanation of the services rendered to the utility for the legal and accounting fees paid by the utility.
7. Provide an explanation of the basis for and the computations used to determine the increased cost in chemicals.
8. Are the current rate case expenses included in the proposed operating expenses of the utility, if so, provide a breakdown of these expenses and where they were included in the operating expenses.
9. How often must sludge be hauled during a normal twelve (12) month operation?
10. How much money is estimated to be saved by charging a flat rate for sewage services as opposed to basing rates on water usage?

What percentage of your customers (approximately) would experience a higher sewer bill as a result of a flat rate? What is the approximate amount of additional revenue?
11. Who owns the forty shares of common stock outstanding?

Done at Frankfort, Kentucky, this 24th day of February, 1981.
