In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE)
COMMISSION OF THE APPLICATION OF THE)
FUEL ADJUSTMENT CLAUSE OF SALT RIVER) CASE NO. 8079
RURAL ELECTRIC COOPERATIVE CORPORATION)
PURSUANT TO 807 KAR 5:056E, SECTIONS)
1(11) AND (12))

O R D E R

On March 13, 1981, the Public Service Commission entered an order approving an adjustment of .111¢ per KWH increase in the basic rates of Salt River Rural Electric Cooperative Cooperation (Applicant), which re-established the fuel adjustment charge in the Applicant's rate base to conform to the adjustment approved by the Commission's Order in Case No. 8055 to the Applicant's wholesale power supplier, East Kentucky Power Cooperative, Inc. On March 19, 1981, the Applicant informed the Commission that the rates in tariffs LLP-3 and LPR-1, as set out in Appendix "A" of the order dated March 13, 1981, would under-recover the fuel cost base.

The Commission finds that a miscalculation was made, and will now correct this through a revision in the rates found just and reasonable for the Applicant. Therefore, the Applicant is authorized to place into effect the revised rates for tariffs LLP-3 and LPR-1 set out in the Amendment to Appendix "A" of this Order, which supersedes the rates for tariffs LLP-3 and LPR-1 set out in Appendix "A" of the Commission's Order dated March 13, 1981.

IT IS THEREFORE ORDERED that the rates for tariffs LLP-3 and LPR-1 as set out in Appendix "A" to the Commission's Order of March 13, 1981 are hereby set aside.

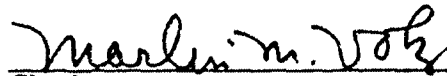

IT IS FURTHER ORDERED that the rates set out in Amendment to Appendix "A", attached hereto and made a part hereof, shall be placed into effect for service rendered on and after April 1, 1981.

IT IS FURTHER ORDERED that the Applicant shall file within twenty (20) days of the date of this Order, its revised tariff sheets setting out the rates and charges approved herein.

Except as modified herein, the Order dated March 13, 1981 shall remain in full force and effect.

Done at Frankfort, Kentucky, this 31st day of March, 1981.
