This schedule should show the actual amounts of the various capital components as well as the ratios.
- H. Net Income as a percent of Sales, Return on Average
 Investment, and Return on Average Common Equity for
 sales to affiliated telephone companies and on sales
 to nonaffiliated telephone companies separately for

manufactured products and separately for items
purchased for resale for the calendar years used in
20f. Also provide details for the rate of return
calculations.

- I. On sales to the Kentucky operating telephone company used in 20f, separate purchases from the manufacturing operation into amounts capitalized and amounts expensed and from the supply operation into amounts capitalized and amounts expensed.
- J. A schedule showing the dollar amount of gross additions by major plant accounts and the percent and dollar amounts surviving at end of test year, for each of the years used in 20f. A second part of this schedule should show the dollar and percent of equivalent amounts of depreciation reserve at the end of the test year, applicable to the surviving capitalized purchases.
- 21. A calculation of the rate or rates used to capitalize interest during construction for the test year and the three preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.
- 22. Provide detailed monthly income statements for each month after the test period including the month in which the hearing ends as they become available.
- 23. A. Explanation of the settlement contract or method used with South Central Bell and any other telephone companies to arrive at Applicant's Kentucky intrastate test period toll revenues. (Provide the Traffic Agreement presently in use for settlement purposes).

- B. Explanation, with copies of appropriate supporting material, of the separation procedures used to arrive at the test period Kentucky intrastate portions of revenues, investment, expenses, taxes, reserves and any other items applicable to the case. Include discussions on cost studies which were used and periods for which studies were made.
- C. A breakdown by dollar amounts of the Kentucky intrastate toll revenues for the test period into their major class of toll service-message toll including WATS, private line, foreign exchange, and any other items contributing to the intrastate toll revenues.

 Include all intrastate toll revenues whether received through settlements or otherwise.
- 24. A. The status of all intrastate toll settlements, by major class of toll service, with South Central Bell that were pending at the beginning and at the end of the test period that would affect the test period intrastate toll revenues. Indicate the finality of these settlements with South Central Bell, and if they are not final, give the expected amounts and the expected dates they will be finalized. These amounts are to be reconciled with book entries including amounts accrued for future settlement adjustments.
 - B. A statement of concurrence from South Central Bell that the test period intrastate toll settlement revenue is correct giving dollar amounts for each major class

of toll service settled. If concurrence cannot be obtained, provide a detailed statement of differences.

- C. Written explanations of each change or adjustment in intrastate toll settlements which was booked during the test period, but was applicable to settlements outside of the test period and which was booked outside the test period, but was applicable to settlements covering portions of the test period.
- D. Written explanation of all pro forma adjustments made to normalize the test period intrastate toll revenues such as those caused by settlement contract changes and separation procedure changes that may effect such items as the intrastate toll rate of return used in computing toll settlements for actual cost and Division of Revenues companies.
- E. Any other information the Applicant deems necessary to explain the debits and credits to its toll revenues in order to normalize its intrastate toll revenues for the test period.
- 25. A. Capital structure at end of each calendar year for the previous ten (10) years.
 - B. Capital structure at end of latest available quarter.
 - C. Capital structure at end of historical test period.
