

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

* * * * *

In the Matter of

LOGAN TELEPHONE COOPERATIVE,
INC.,
COMPLAINANT

vs.

SOUTH CENTRAL BELL TELEPHONE
COMPANY,
DEFENDANT

CASE NO. 8241

O R D E R

On June 12, 1981, South Central Bell Telephone Company (Company), by counsel, filed its Motion requesting that the Commission amend its Order entered June 4, 1981, to clarify for the parties the documents which are to be used in conducting the joint survey ordered by the Commission.

In support of the Motion the Company refers to its previous Motion filed June 1, 1981, requesting that the Commission order a joint survey and require that a 1965 map approved by the Company and Logan Telephone Cooperative, Inc. (Cooperative) be used along with the drawing provided by the developer locating the buildings upon the real property in question.

In a Reply to the initial motion filed June 5, 1981, the Cooperative stated that if the 1965 map was executed this was the result of a mutual mistake. In a Response to Motion also filed June 5, 1981, the Cooperative included as Exhibit "A" a map

prepared by a licensed surveyor at the time service was requested by the occupant of the home of Mr. W. W. White, located on the building site of Anaconda Aluminum Company, following the death of Mr. White.

In its Motion filed June 12, 1981, the Company contends that the map (Exhibit "A" to the Response to Motion) is extraneous to this matter and that it may or may not have been prepared by looking at the officials maps on file with the Commission since 1965.

The Commission, having considered the Motion of the Company and being advised, is of the opinion and finds that its Order entered June 4, 1981, should be amended in view of the controversy with respect to the validity of the maps filed by the parties and that the Company and the Cooperative should file with the Commission prior to the hearing a map depicting the layout of the buildings or facilities planned by Anaconda Aluminum Company and the points of desired telephone service, said map to be overlaid by or on the 1965 signed boundary map and also overlaid by or on the map attached as Exhibit "A" to the Response to Motion referred to herein.

IT IS THEREFORE ORDERED That the Motion of the Company be and it hereby is sustained in accordance with the findings set forth above.

Done at Frankfort, Kentucky, this 22nd day of June 1981.
