AMENDED ORDER

The Commission issued its order in this matter on February 6, 1980. By letter received March 12, 1982, Meade County Rural Electric Cooperative Corporation ("Meade County") advised that the Commission had not addressed all of the items which had been requested in the original letter of application.

Therefore, IT IS HEREBY ORDERED that the last paragraph in the order which was issued on February 6, 1980, be amended to read as follows:

"...the application of Meade County Rural Electric Cooperative Corporation to deviate from 807 KAR 50:015 (Now 5:006E) Section 15(1)(a) and (2)(a), by changing the history card system of meter test record keeping to an on-line computer processing system is hereby approved."
