COUNTY RURAL ELECTRIC CO-	)	CASE NO. 8082-C
OPERATIVE CORPORATION FROM	)	
NOVEMBER 1, 1981, TO	)	
APRIL 30, 1982	)	

O R D E R

Pursuant to 807 KAR 5:056, Section 1(11), the Commission issued an Order on April 28, 1982, requiring Taylor County Rural Electric Cooperative Corporation ("Taylor County") to notify its customers of a hearing to be held on July 15, 1982. Following proper notice, a hearing was held on July 15, 1982.

Taylor County filed an affidavit stating its compliance with the Fuel Adjustment Clause, with the exception of errors made on the filings for November and December 1981, and January 1982. Taylor County also filed its monthly fuel charges for the 6-month period under review.

After reviewing Taylor County's monthly Fuel Adjustment Clause ("FAC") filings, the Commission found other filing errors. These filing errors resulted in an overstatement of Taylor County's recoverable fuel costs of \$16,101.68. The

Commission is of the opinion that Taylor County should adjust its next two monthly FAC filings by a total of \$16,101.68.

The Commission is of the opinion that a procedure should be established for setting dates for future Fuel Adjustment Clause hearings to improve the planning process for all parties. Therefore, the Commission concludes that future Fuel Adjustment Clause hearings should be held on the third Thursday of the third month following the end of the period under review. Thus, since the periods under review end in April and October, hearings will be held in July and January.

The Commission, after examining the evidence of record and being advised, finds that:

1. With the exception of filing errors discussed herein, Taylor County has complied in all material respects with the requirements of 807 KAR 5:056.

2. Taylor County should adjust its next two monthly FAC filings by \$16,101.88 to correct previous filing errors using a separate line item as shown in Appendix A.

3. The date of the 2-year review hearing should be fixed at the conclusion of this proceeding. 807 KAR 5:056, Section 1(12).

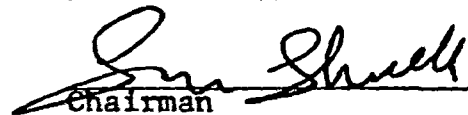

IT IS THEREFORE ORDERED that Taylor County shall adjust its next two monthly FAC filings by \$16,101.68 using a separate line item as shown in Appendix A.

IT IS FURTHER ORDERED that the next Fuel Adjustment Clause hearing in Case No. 8615, for the purpose of examining

the application of the Fuel Adjustment Clause from November 1, 1980, to October 31, 1982, be and it hereby is set for January 20, 1983, at 9:00 a.m., Eastern Standard Time, at the Commission's offices in Frankfort, Kentucky, and Taylor County shall give proper notice to its customers of the date, time, place and purpose of the hearing.

Done at Frankfort, Kentucky, this 4th day of November, 1982.
