On April 20, 1982, the Commission entered its Order directing Henderson County Water District ("Henderson County Water") to submit a statement from its supplier, the City of Henderson ("City"), verifying the base rates of 45.32¢ and 50.67¢ per 1,000 gallons and the new rate of 54.67¢. The letter further stated that the additional information would be supplied when the rate had been determined.

In response to a letter from the Commission dated July 12, 1982, counsel for Henderson County Water advised that

the matter was to be presented to the City Commission for approval on July 27, 1982.
