O R D E R

On November 25, 1980, Union Light, Heat and Power Company ("ULH&P") filed its notice of intent to adjust its electric rates and charges to produce an annual increase in revenue of \$13,018,157.

In its Order entered June 24, 1981, the Commission granted ULH&P an increase in its rates and charges to produce an annual revenue increase of \$11,602,906. Of this granted increase, approximately \$10.9 million was for increased

purchased power costs from Cincinnati Gas and Electric Company ("CG&E"), ULH&P's parent company and sole supplier of wholesale electric power. This portion of the increase was granted subject to refund with interest pending the Federal Energy Regulatory Commission's ("FERC") final decision in Docket No. ER 81-132-000. On November 16, 1981, the FERC entered its final order in Docket No. ER 81-132-000. This order approved lower wholesale rates for CG&E and thus reduced the purchase power cost to ULH&P by approximately \$1.7 million annually effective retroactively with service rendered on and after June 25, 1981.

On December 23, 1981, ULH&P filed tariffs with this Commission reflecting the reduction in its rates resulting from the lower purchased power costs. The Commission is of the opinion and finds that these rates are the fair, just and reasonable rates for ULH&P to charge its customers and should, therefore, be approved, effective retroactively with service rendered on and after June 25, 1981.

ULH&P, in accordance with the Commission's Order in this matter, has proposed to refund to its customers the difference in the rates originally approved in the Commission's Order entered June 24, 1981, and those approved herein. The annual interest rates ULH&P has proposed to pay its customers on these refunds, which are based on the time period of service rendered, are 18.27 percent on amounts received for service rendered on and after June 25, 1981, through September 30, 1981;

IT IS FURTHER ORDERED that ULH&P be and it hereby is directed to complete the refund, with interest as directed herein, within 60 days of the date of this Order.

IT IS FURTHER ORDERED that ULH&P be and it hereby is directed to file with the Commission within 30 days of the completion of the refund authorized herein a certificate of compliance stating that all refunds have been made and the amounts of such refunds, showing both principal and interest refunded by rate schedule.

IT IS FURTHER ORDERED that UHL&P shall file its revised tariff sheets within 30 days setting forth the rates approved herein.

Done at Frankfort, Kentucky, this 11th day of January, 1982.
