In the Matter of

APPLICATION OF CITY OF)
GLENVIEW HILLS FOR A)
DETERMINATION PURSUANT TO) CASE NO. 8421
THE USE OF NATURAL GAS)
OUTDOOR LIGHTING)

O R D E R

On December 21, 1981, the Public Service Commission received the application of the City of Glenview Hills ("Glenview Hills") for an exemption from the prohibition on the continued use of natural gas in existing outdoor lighting under Section 402 of the Federal Industrial Power Plant and Fuel Use Act of 1978.

The Commission, after further consideration of all the evidence of record and being fully advised, is of the opinion and finds that:

- (1) Glenview Hills has published the public notice required by 807 KAR 5:035E, Section 5.
- (2) Neither Glenview Hills nor any other interested person has requested a hearing pursuant to 807 KAR 5:036E, Section 6.
- (3) Proper notice was sent to the natural gas supplier, Louisville Gas and Electric Company, requesting continued gas light service pending this determination.

(4) Glenview Hills has met all other requirements contained in 807 KAR 5:036E and Section 402 of the Power Plant and Industrial Fuel Use Act of 1978 for obtaining an exemption under the regulation.

The Commission, on the basis of the above-stated findings, ORDERS that the City of Glenview Hills, at the intersection of Lightheart and Glenhill Road; intersection of Runnymede and Glenhill Road; Glenhill Circle at end of street; intersection of Burlington and Glenhill Road; Grayson Court at end of street; and Dunraven Court at end of street be and it hereby is granted authority for continued use of the existing natural gas outdoor lighting as specified in the application and supplied by Louisville Gas and Electric Company.

Done at Frankfort, Kentucky, this 5th day of January, 1982.
