

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

* * * * *

In the Matter of:

NOTICE OF ADJUSTMENT OF RATES)
OF NOTTINGHAM SANITATION, INC.) CASE NO. 8430
TO BECOME EFFECTIVE ON JANUARY 21,)
1982)

O R D E R

IT IS ORDERED that Nottingham Sanitation, Inc., shall file an original and six copies of the following information with the Commission, with a copy to the Attorney General's Consumer Protection Division by April 15, 1982. Include with each response the name of the witness who will be responsible for responding to questions relating to the information requested. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case will be dismissed.

(1) Provide copies of the utilities monthly gas bills for the test period and the utility facilities at each location a bill is received.

(2) Provide a copy of the most recent joint service cost calculation from Louisville Water Company.

(3) A detailed analysis of the costs incurred in this rate case should be provided. This breakdown should note the amounts paid in salaries, fees, retainers, and expenses of counsel, accountants, engineers, clerks, witnesses, or anyone involved in this case. Show these expenditures in the form

used on the attached Format 1, and provide all detailed working papers supporting the analysis. At minimum the working papers should show the payee, dollar amount, reference (i.e., voucher no., etc.), account charged, hourly rates, and time charged to the utility according to each invoice, and a description of the service provided.

(4) Provide a breakdown classified in accordance with the accounts prescribed in the Uniform System of Accounts of all utility plant in service.

(5) Provide an analysis of the specific plant items included in the \$48,000 original cost of short-lived property including the date each item was placed in service, the original cost of each item of plant and the accumulated depreciation. Also, specify the cost of these plant items net of any contributions.

(6) Provide a reconciliation between the customer records and collection expense as reported in the application and the total of the test period collection charges per the remittance advices from Louisville Water Company.

(7) Provide a reconciliation between the cost of sludge hauling reported in the application and the sludge hauling expense as shown on the income tax return.

(8) Provide the basis and supporting workpapers for the 22 percent tax rate applied to net operating income in adjustment seven of the application.

(9) Your response to item one of the Commission's first information request reveals that utility bills are rendered for five locations. Please explain what utility facilities exist at each location.

Done at Frankfort, Kentucky, this 5th day of April, 1982.
