In the Matter of

APPLICATION OF CHARLES WEYLAND )  
FOR A DETERMINATION PURSUANT )  
TO THE USE OF NATURAL GAS )  
OUTDOOR LIGHTING )

CASE NO. 8440

O R D E R

On January 25, 1982, the Public Service Commission received the application of Charles Weyland for an exemption from the prohibition on the continued use of natural gas in existing outdoor lighting under Section 402 of the Federal Industrial Power Plant and Fuel Use Act of 1978.

The Commission, after further consideration of all the evidence of record and being fully advised, is of the opinion and finds that:

- (1) Charles Weyland has published the public notice required by 807 KAR 5:036E, Section 5.
- (2) Neither Charles Weyland nor any other interested person has requested a hearing pursuant to 807 KAR 5:036E, Section 6.
- (3) Proper notice was sent to the natural gas supplier, Louisville Gas and Electric Company, requesting continued gas light service pending this determination.

(4) Charles Weyland has met all other requirements contained in 807 KAR 5:036E and Section 402 of the Power Plant and Industrial Fuel Use Act of 1978 for obtaining an exemption under the regulation.

The Commission, on the basis of the above-stated findings, ORDERS that Charles Weyland, 5310 Indian Crest Road, Louisville, Kentucky, be and hereby is granted authority for continued use of the existing natural gas outdoor lighting as specified in the application and supplied by Louisville Gas and Electric Company.

Done at Frankfort, Kentucky, this 29th day of January, 1982.
