

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF COLUMBIA GAS)	
OF KENTUCKY, INC., TO SUSPEND)	CASE NO.
DELIVERY OF GAS TO CENTRAL)	8461
ROCK COMPANY)	

O R D E R

Columbia Gas Co., Inc., (Columbia) filed a request with this Commission on February 8, 1982, to suspend service to Central Rock Company (Central).

Pursuant to a Motion by Columbia, a hearing was held on March 1, 1982.

Central owes Columbia \$43,727.15. It was given notice of this amount in a bill from Columbia on December 9, 1981. Payment was due December 21, 1981.

On February 8, 1982, Columbia notified Central by letter of its intention to seek authority to end delivery of gas service to it.

Central, represented at the hearing by its vice president, does not dispute that it received notice of the proposed cut-off or that it owes the amount in question.

The Commission after a review of the record finds that Columbia has complied with applicable statutes, regulations and

tariff requirements. It is therefore ordered that Columbia is authorized to immediately suspend gas service to Central Rock Company.

Done at Frankfort, Kentucky, this 9th day of March, 1982.
