CORPORATION FOR APPROVAL TO) CASE NO. 8550
HAVE ITS METERS TESTED BY)
FRANKFORT METER AND ELECTRIC)
COMPANY)

O R D E R

Clark Rural Electric Cooperative Corporation ("Clark") filed its request, by letter received June 16, 1982, for approval to utilize Frankfort Meter and Electric Company, Frankfort, Kentucky, for testing of its meters.

The Public Service Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. In accordance with 807 KAR 5:006, Section 13, Paragraph (2), "A utility may have all or part of its testing of meters performed by another utility or agency approved by the commission for such purpose."
2. The proposed testing arrangement is in the public interest and should be approved.
3. The approval of the proposed arrangement does not relieve the utility from the responsibility of insuring that all tests of meters and measuring devices are performed in accordance with the requirements of the rules and regulations of the Commission.

IT IS THEREFORE ORDERED that Clark be and it hereby is granted approval to utilize the services of Frankfort Meter and Electric Company, Frankfort, Kentucky, for the testing of its meters.

Done at Frankfort, Kentucky, this 6th day of July, 1982.
