

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

RESIDENTIAL CONSERVATION SERVICE)	
PLAN FOR KENTUCKY UNDER THE)	ADMINISTRATIVE
NATIONAL ENERGY CONSERVATION)	CASE NO. 245(6)
POLICY ACT OF 1978)	

SUPPLEMENTAL ORDER

On January 6, 1983, this Commission issued an Order in Administrative Case No. 245 which requires the Henderson-Union Rural Electric Cooperative Corporation of Henderson, Kentucky, ("Henderson-Union") and other utilities to file within 30 days a plan of compliance with the Kentucky Residential Conservation Service ("RCS") Plan. On January 19, 1983, Henderson-Union filed a timely application with the United States Department of Energy ("USDOE") for a temporary program exemption from certain requirements of Section 215 of the National Energy Conservation Policy Act, P.L. 95-619, ("NECPA") and the RCS Plan prepared by this Commission pursuant to NECPA. This Commission supported approval of the Henderson-Union temporary program application in an Order issued on January 18, 1983. In a letter of January 27, 1983, Henderson-Union sought a waiver of the requirement of filing a plan of compliance within 30 days of this Commission's Order to implement an RCS Program.

This Commission finds that submittal of the RCS plan of compliance by Henderson-Union prior to action by the USDOE would be costly due to the personnel and materials needed to develop a plan that considers actions which may not be required if USDOE approves the temporary program application. The Commission also finds that the USDOE estimates an elapsed time of at least one month before action is taken on the Henderson-Union application with the response time being longer if further information is needed. The Commission further finds that Henderson-Union residential customers continue to have available during the period required for USDOE action the services of an energy audit program which is the basis of the request for a temporary program.

IT IS THEREFORE ORDERED that the time for submittal of the Henderson-Union RCS plan of compliance be and it hereby is extended to a date no later than 30 days after action by USDOE on the Henderson-Union temporary program application.

IT IS FURTHER ORDERED that Henderson-Union shall advise the Commission immediately upon receipt of notice of the USDOE action on the temporary program application.

Done at Frankfort, Kentucky, this 8th day of February, 1983.
