In the Matter of:

THE CATV POLE ATTACHMENT	)	
TARIFF OF UNIONTOWN	)	ADMINISTRATIVE
TELEPHONE COMPANY, INC.	)	CASE NO. 251-21

O R D E R

Procedural Background

On September 17, 1982, the Commission issued an Amended Order in Administrative Case No. 251, "The Adoption of a Standard Methodology for Establishing Rates for CATV Pole Attachments," and ordered electric and telephone utilities providing or proposing to provide CATV pole attachments to file tariffs conforming with the principles and findings of the Order on or before November 1, 1982.

On November 19, 1982, the Kentucky Cable Television Association, Inc., ("KCTA") requested and was granted leave to intervene and comment on the CATV pole attachment tariff to be filed by Uniontown Telephone Company, Inc., ("Uniontown"). On November 23, 1982, Uniontown filed rates, rules, and regulations governing CATV pole attachments, after having been granted an extension of time to file on November 15, 1982. On December 9, 1982, the Commission suspended Uniontown's CATV pole attachment tariff to allow the maximum statutory time for investigation and comment by KCTA. On January 17, 1983, KCTA filed a statement of objections to various CATV pole attachment tariffs, but made no specific objections in the case of Uniontown.

The Commission considers the matter of Uniontown's CATV pole attachment tariff submitted for final determination.

Findings

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. At the present time, Uniontown does not provide and does not plan to provide CATV pole attachments. Therefore, its CATV pole attachment tariff should be dismissed.

2. In the event Uniontown receives an application to provide CATV pole attachments, it should file rates, rules, and regulations governing CATV pole attachments in a manner consistent with the Commission's Amended Order in Administrative Case No. 251.

Orders

IT IS THEREFORE ORDERED that Uniontown's CATV pole attachment tariff as filed with the Commission on November 23, 1982, be and it hereby is dismissed.

IT IS FURTHER ORDERED that Uniontown shall file rates, rules, and regulations governing CATV pole attachments at such time as it is requested to provide CATV pole attachments.

Done at Frankfort, Kentucky, this 31st day of March, 1983.
