In the Matter of:

PURCHASED GAS ADJUSTMENT)
FILING OF THE UNION LIGHT) CASE NO. 8373-E
HEAT AND POWER COMPANY)

O R D E R

On April 16, 1982, the Commission issued its Order in Case No. 8373, approving certain rates and providing for adjustments of these rates on a quarterly basis in accordance with the provisions of the gas cost adjustment clause set forth therein.

On March 1, 1983, the Union Light, Heat and Power Company ("Union") filed its quarterly gas cost adjustment which is to become effective March 31, 1983, and is to remain in effect until July 31, 1983.

After reviewing the record filed in this case and being advised, the Commission is of the opinion and finds that:

1. Union's notice of March 1, 1983, set out certain revisions in rates which Union proposed to place into effect, said rates being designed to pass on the wholesale increase in gas costs in the amount of \$4,365,212 or 34.5 cents per Mcf.

2. Union's notice set out refunds due its customers in the amount of \$757,695 which includes a current quarterly supplier refund of \$50. Union proposes to refund this amount by applying a refund factor in the amount of \$0.06 per Mcf.

Union should refund this amount plus interest at a rate equal to the average of the "3-month Commercial Paper Rate" for the immediately preceding 12-month period less 1/2 of 1 percent to cover the costs of refunding. These monthly rates are reported in both the Federal Reserve Bulletin and the Federal Reserve Statistical Release.

3. Union's adjustment in rates under the gas cost adjustment provisions approved by the Commission in its Order in Case No. 8373 dated April 16, 1982, is fair, just and reasonable and in the public interest and should be effective with bills rendered on and after March 31, 1983, subject to refund. These rates should be subject to refund because Union's supplier rates have been approved subject to refund by the Federal Energy Regulatory Commission.

IT IS THEREFORE ORDERED that the rates in Appendix A be and they hereby are approved, effective for bills rendered on and after March 31, 1983, subject to refund.

IT IS FURTHER ORDERED that Union shall apply a refund factor in the amount of \$0.06 per Mcf as a reduction in the approved purchased gas adjustment beginning with Union's next billing cycle, or as soon as practical, and remaining in effect until such time as the amount refunded equals the refundable amount herein plus interest.

IT IS FURTHER ORDERED that within 30 days after the date of this Order, Union shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 29th day of March, 1983.
