In the Matter of:

AN EXAMINATION BY THE PUBLIC)
SERVICE COMMISSION OF THE APPLI-)
CATION OF THE FUEL ADJUSTMENT) CASE NO. 8592
CLAUSE OF UNION LIGHT, HEAT AND)
POWER COMPANY FROM NOVEMBER 1,)
1980, TO OCTOBER 31, 1982)

O R D E R

Pursuant to 807 KAR 5:056, Sections 1(11) and 1(12), the Public Service Commission ("Commission") issued its Order on July 14, 1983, wherein it approved the fuel adjustment charges collected by Union Light, Heat and Power Company ("ULH&P") through the fuel adjustment clause for the period November 1, 1980, through October 31, 1982, and set the amount of fuel cost to be transferred (rolled in) to ULH&P's base rates in order to reestablish the fuel adjustment charge in accordance with 807 KAR 5:056, Section 1(2). In that Order, the Commission approved a roll-in of .516 cents per KWH to all energy related charges.

ULH&P notified the Commission by letter received November 7, 1983, that Sheet No. 40, Rate SL, Street Lighting Service, page 1 of 2, of ULH&P's electric tariff should be revised to reflect the removal of the fuel roll-in of .516 cents per KWH from the additional facilities charge, and to refund the related over-collection of fuel costs by way of a credit to each customer's next practical monthly bill. Even though the

additional facilities charge is stated on a cents per KWH basis, it is not an energy related charge and should not have been increased by the amount of the roll-in.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. The Seventh Revised Sheet No. 40, Rate SL, Street Lighting Service, Page 1 of 2, should be approved for bills rendered on and after August 1, 1983.

2. ULH&P's proposed refund plan should be approved.

IT IS THEREFORE ORDERED that Amended Appendix A be and it hereby is approved for bills rendered by ULH&P on and after August 1, 1983.

IT IS FURTHER ORDERED that within 30 days from the date of this Order ULH&P shall file with the Commission its revised tariff sheets setting out the rates approved herein.

IT IS FURTHER ORDERED that ULH&P's proposed refund plan be and it hereby is approved for bills rendered on and after November 1, 1983.

IT IS FURTHER ORDERED that all other provisions of the Commission's Order entered July 14, 1983, not amended herein shall remain in full force and effect.
