CASE NO.
8687

O R D E R

On November 12, 1982, the Commission received a letter from Bruce P. Zalman, Mayor, City of Old Brownsboro Place, ("City"), requesting a public hearing in the above matter. Similar letters were received from other consumers.

By letter dated January 18, 1983, the Commission advised Mayor Zalman and others that because of the large volume of work and the time constraints it had decided not to schedule a public hearing. The Commission was of the opinion that the City and the consumers were asking for a public meeting in the service area, at which the Commission would receive comments from the public, rather than an evidentiary hearing. On January 24, 1983, the Commission received another letter from Mayor Zalman stating that the City has gone to great expense and spent much time in hiring experts to refute the application and requesting that the Commission reconsider its decision.

The Commission, having considered the matter and being advised, HEREBY ORDERS that this case be and it hereby is set for hearing on March 3, 1983, at 10:00 a.m., Eastern Standard Time, in the Commission's offices at Frankfort, Kentucky. The

hearing shall be for the purpose of receiving testimony from Brownsboro Utilities, Inc. in support of its application, cross-examination of witnesses offering said testimony, the presentation of testimony by intervenor or intervenors, cross-examination of said testimony, and the presentation of rebuttal testimony, if any, by Brownsboro Utilities, Inc.

IT IS FURTHER ORDERED That Brownsboro Utilities, Inc., d/b/a Old Brownsboro Place, shall give notice of the hearing as is required by KRS 424.300 with any newspaper notice being published in a newspaper of general circulation in its service area one time not less than seven nor more than twenty-one days prior to the hearing giving the purpose, time, place and date of the hearing.

Done at Frankfort, Kentucky, this 3rd day of February, 1983.
