O R D E R

On June 14, 1984, Arco Metals Company ("Arco"), by counsel, filed its Motion requesting an extension of time up to and including July 3, 1984, within which to file its testimony.

In support of the Motion, Arco states that Responses to its first Request for Information to Big Rivers Electric Corporation ("Big Rivers") were due May 30, 1984, but were not received until June 8, 1984, a period of 7 working days, and because of the delay, Arco cannot reasonably comply with the

Order of Procedure and file its testimony by June 27, 1984. The Motion further states that in order to review the Responses, seek additional information by supplemental requests and prepare its testimony, Arco requires an extension of 6 working days or until July 3, 1984, and that Big Rivers has no objection to the extension.

The Commission, having considered the Motion and being advised, is of the opinion and finds that an extension to and including July 3, 1984, would allow only one working day for requests for information to Arco pursuant to the revised Order of Procedure established in the Commission's Order entered June 4, 1984 and that, accordingly, Arco should be granted an extension of time only to the close of business June 29, 1984, within which to file its testimony.

IT IS THEREFORE ORDERED That the Motion be and it hereby is sustained to the extent that Arco be and it hereby is granted an extension to the close of business June 29, 1984, to file its testimony.

Done at Frankfort, Kentucky, this 20th day of June, 1984.
