O R D E R

On December 21, 1983, intervenor Airco Alloys and Carbide ("Airco") filed a motion requesting an extension of time from December 28, 1983, to January 10, 1984, in which to propound initial data requests to the Louisville Gas and Electric Company ("LG&E"). The motion was based on Airco's claim that it did not receive a copy of LG&E's application and testimony until December 20, 1983.
