

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

* * * * *

In the Matter of:

THE APPLICATION OF LAKELAND,) CASE NO. 8938
INC. TO ABANDON WATER SERVICE)

O R D E R

On January 18, 1984, the Commission received a letter from Mr. Nick Matz, owner of Lakeland, Inc., ("Lakeland") requesting approval to abandon water service to 29 domestic customers located in the Baywood Vista Subdivision, Calloway County, Kentucky.

The Commission, after consideration of the request made by Lakeland, the staff investigation report and other evidence of record in this matter, is of the opinion and finds that:

1) The domestic water needs of each of Lakeland's 29 former customers are now satisfied from other water sources, with 26 on private wells and 3 on the Panorama Shores Water System.

2) Lakeland is not providing water service to any parties of interest at this time and has no contractual obligation to provide water service.

3) The facilities by which Lakeland had previously provided water service to its customers are inadequate and not in compliance with Commission regulations.

4) The abandonment of water service by Lakeland is in the public interest and should be approved.

IT IS THEREFORE ORDERED that the request of Lakeland to
abandon water service be and it hereby is approved.

Done at Frankfort, Kentucky, this 16th day of April, 1984.
