Before the
PUBLIC SERVICE COMMISSION OF KENTUCKY

IN THE MATTER OF:

The Application of Kentucky)	
Utilities Company to Make)	Case No.
Available Existing Power)	8984
Schedules for Customers)	
With Large Load Requirements)	

On February 13, 1984, Kentucky Utilities Company ("K.U.") filed an application with the Commission proposing changes in the text of five rate schedules of K.U.'s current tariffs. There were no intervenors of record nor was a hearing conducted in this matter.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

1. K.U. proposed changes in each section entitled "Availability" of the five rate schedules to increase the availability from a maximum load of 10,000 KW to 50,000 KW (KVA for schedule IS). Other changes were proposed for clarification and consistency.

2. None of the proposed text changes will result in an increase in K.U.'s rates or charges to existing customers.

IT IS THEREFORE ORDERED that the proposed text changes be and they hereby are authorized effective upon the date of this Order.

IT IS FURTHER ORDERED that within 20 days of the date of this Order, K.U. shall file the following revised tariff sheets setting out the text changes approved herein:

<u>Rate</u>	<u>Schedule</u>	Revision	Original Sheet No.
GS	General Service	2nd	6
