On May 23, 1984, South Central Bell Telephone Company ("SCB") filed a tariff with the Commission to establish Customer Access Line Charge ("CALC") credits and surcharges for Centrex and ESSX-1 service. The tariff was filed with an effective date of May 25, 1984, and designed to equalize Private Branch Exchange and Centrex and ESSX-1 CALC's.

The Commission, having examined the tariff filing and being advised, is of the opinion and finds that additional investigation and possible hearing is necessary to determine the reasonableness of the tariff filing, and that such investigation and hearing cannot be completed within the 20 day statutory notice period required by KRS 278.180(1). Therefore, the tariff filing should be suspended, pursuant to the provisions of KRS 278.190.

IT IS THEREFORE ORDERED that SCB's tariff filing be and it hereby is suspended for a period of 5 months and 20 days from the issue date of May 23, 1984. The pages of the tariff filing hereby suspended are:
