In the Matter of:

NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF AUXIER) CASE NO. 8768-L
ROAD GAS COMPANY, INC.)

O R D E R

On September 16, 1983, the Commission issued its Order in Case No. 8768 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 29, 1985, Auxier Road Gas Company, Inc., ("Auxier") notified the Commission that its wholesale cost of gas had been decreased by its supplier, Columbia Gas of Kentucky, Inc., ("Columbia") effective November 1, 1984, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Auxier's notice of January 29, 1985, set out certain revisions in rates which Auxier proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$39,098 or 61.8 cents per Mcf.

(2) Auxier's wholesale cost of gas was decreased by Columbia effective November 1, 1984.

(3) Auxier proposed an effective date of January 1, 1985. The proposed rates should become effective on and after November 1, 1984, to coincide with the effective date of Columbia's revised rates.

(4) The Commission takes note that Auxier's wholesale cost of gas was also revised by Columbia effective October 20, 1984. The rates set out in Appendix B to this Order should be effective for gas supplied from October 20, 1984, to November 1, 1984.

(5) Auxier should report to the Commission any excess revenues collected during the period from October 20, 1984, to the date the adjusted rates are implemented, along with a plan to refund any excess collections to its customers.

(6) Auxier's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8768 dated September 16, 1983, is fair, just and reasonable and in the public interest.

IT IS THEREFORE ORDERED that the rates in Appendix A to this Order be and they hereby are authorized effective with gas supplied on and after November 1, 1984.

IT IS FURTHER ORDERED that the rates in Appendix B to this Order be and they hereby are authorized effective with gas supplied from October 20, 1984, to November 1, 1984.

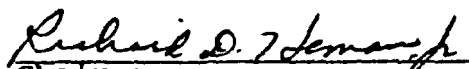

IT IS FURTHER ORDERED that within 30 days of the date of this Order Auxier shall report to the Commission any excess revenues collected during the period from October 20, 1984, to the

date the adjusted rates are implemented, along with a plan to refund any excess collections.

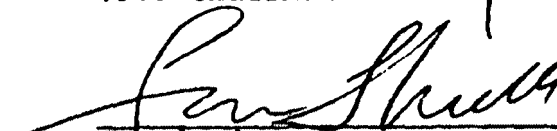

IT IS FURTHER ORDERED that within 30 days of the date of this Order Auxier shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 15th day of February, 1985.
