In the Matter of:

THE NOTICE OF PURCHASED GAS                    )  
ADJUSTMENT FILING OF LOUISVILLE            )    CASE NO. 8924-D  
GAS AND ELECTRIC COMPANY                     )

O R D E R

On June 25, 1984, the Commission issued its Order in Case No. 8924 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 7, 1985, Louisville Gas and Electric Company ("LG&E") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Texas Gas Transmission Corporation ("Texas Gas"), effective February 1, 1985, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) On December 28, 1984, Texas Gas filed an application with the Federal Energy Regulatory Commission for rates to be effective February 1, 1985.

(2) LG&E's notice of January 7, 1985, set out certain revisions in rates which LG&E proposed to place into effect, said rates being designed to pass on the wholesale decrease in price

from its supplier in the amount of \$2,211,238 of which \$54,178 is applicable to gas used for Electric Department fuel and \$2,157,060 is applicable to LG&E gas customers. The result is a downward adjustment in the purchased gas adjustment of 0.407 cents per 100 cubic feet.

(3) LG&E's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8924 dated June 25, 1984, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after February 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after February 1, 1985.

IT IS FURTHER ORDERED that within 30 days from the date of this Order LG&E shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 17th day of January, 1985.
