In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF COLUMBIA) CASE NO. 9003-E
GAS OF KENTUCKY, INC.)

O R D E R

On October 18, 1984, the Commission issued its Order in Case No. 9003 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 3, 1985, Columbia Gas of Kentucky, Inc., ("Columbia") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

1. Columbia's notice of July 3, 1985, set out certain revisions in rates which Columbia proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$9,669,482 or 47.4 cents per Mcf.

2. On June 14, 1985, the Federal Energy Regulatory Commission approved the settlement negotiated in Docket No. TA 81-1-21-001, et al. As a result, Transmission will begin applying reduced rates to its customers July 1, 1985.

3. Columbia proposed an effective date of July 4, 1985, for its proposed rates. The actual effective date should be July 1, 1985, to coincide with the effective date of Transmission's reduced rates.

4. Pursuant to the Commission's October 18, 1984, Order in Case No. 9003, the rate in Rate Schedule IUS has been set as the weighted average cost of gas plus two cents.

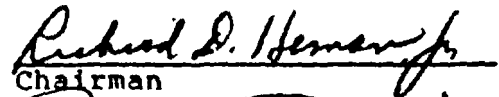

5. Columbia's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9003, dated October 18, 1984, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after July 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after July 1, 1985.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Columbia shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 9th day of July, 1985.
