In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF COLUMBIA) CASE NO. 9003-F
GAS OF KENTUCKY, INC.)

O R D E R

On October 18, 1984, the Commission issued its Order in Case No. 9003 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On August 12, 1985, Columbia Gas of Kentucky, Inc., ("Columbia") filed its revised semi-annual gas cost adjustment which is to become effective September 1, 1985.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

1. Columbia's notice of August 12, 1985, set out certain revisions in rates which Columbia proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier in the amount of 5.3 cents per Mcf.

2. On July 31, 1985, Columbia Gas Transmission Corporation filed revised rates with the Federal Energy Regulatory Commission to be effective September 1, 1985.

3. Columbia's notice set out a total refund adjustment of 7.8 cents per Mcf. This adjustment includes current supplier refunds of \$1,534,775 plus interest which are due Columbia's customers.

4. Columbia's proposed gas cost recovery rate is a decrease of 2.5 cents per Mcf. This decrease represents the combined effect of the supplier increase and refund adjustments.

5. Columbia's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9003, dated October 18, 1984, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after September 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after September 1, 1985.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Columbia shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 3rd day of September, 1985.
