O R D E R

Pursuant to 807 KAR 5:056, Sections 1(11) and 1(12), the Public Service Commission ("Commission") issued its Order on November 20, 1984, scheduling a hearing to review the operation of the fuel adjustment clause of Berea College Electric Utility Department ("Berea College") for the past 2 years. Berea College was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Division of Consumer Protection or other interested parties, or by the Commission on its own motion. Berea College filed all requested information, including its monthly fuel charges for the 2-year period under review and its affidavit of compliance with the provisions of the Fuel Adjustment Clause as prescribed in 807 KAR 5:056. Following proper notice, no party of record requested Berea College to appear at the hearing scheduled for April 4, 1984.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Berea College has complied in all material respects with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges collected by Berea College through the fuel adjustment clause for the period November 1, 1982, through October 31, 1984, be and they hereby are approved.

Done at Frankfort, Kentucky, this 16th day of May, 1985.
