In the Matter of

APPLICATION OF FARM GATE)
HOME OWNERS ASSOCIATION,)
INC., FOR A DETERMINATION) CASE NO. 9296
PURSUANT TO THE USE OF)
NATURAL GAS OUTDOOR)
LIGHTING)

O R D E R

On November 29, 1984, the Public Service Commission received an application from the Farm Gate Homeowners Association, Inc., for an exemption from the prohibition on the use of natural gas in existing outdoor lighting under Section 402 of the Federal Industrial Power Plant and Fuel Use Act of 1978.

The Commission, after consideration of all the evidence of record and being fully advised, is of the opinion and finds that:

1. Proper notice was sent to the natural gas supplier, Louisville Gas and Electric Company, requesting gas light service pending this determination.

2. The December 31, 1981, deadline adopted under the Federal Industrial Power Plant and Fuel Use Act of 1978 was not mandatory.

3. The Commission can exercise its own judgment in waiving the deadline and in making a determination in this case.

4. Public safety considerations, the protection of children at the school bus stop, necessitate lighting at the Stonebrook Drive and Beulah Church Road entrance way.

5. The use of natural gas outdoor lighting at this location can be expedited at minimal expense to the Association.

The Commission, on the basis of the above-stated findings, ORDERS that the December 31, 1981, deadline under the Federal Industrial Power Plant and Fuel Use Act of 1978 be and it hereby is waived.

IT IS FURTHER ORDERED that the Farm Gate Homeowners Association entrance at Stonebrook Drive and Beulah Church Road, Fern Creek, Kentucky, be and it hereby is granted authority to use natural gas outdoor lighting as specified in the application and supplied by Louisville Gas and Electric Company.

Done at Frankfort, Kentucky, this 14th day of March, 1985.
