ORDER

On October 10, 1985, the Commission entered an Order granting the Grayson County Water District ("Grayson") a certificate of public convenience and necessity for a waterworks improvement project. The Order also approved the financing for that project.

On April 4, 1986, Grayson filed for authorization to extend water lines to serve an additional 62 customers. Supplemental information concerning this additional construction was filed on April 14, 1986.

FINDINGS AND ORDERS

The Commission, after consideration of the application and evidence of record and being advised, is of the opinion and finds that:

1. Public convenience and necessity require that the additional construction proposed in the supplemental information be performed and that a certificate of public convenience and necessity be granted.

2. The financing plan for the supplemental work consisting of \$102,215 in previously approved funds, and \$7,750 in additional service connection fees should be approved.

3. The Commission's Order entered October 10, 1985, should be affirmed in all other respects.

IT IS THEREFORE ORDERED that:

1. Grayson be and it hereby is granted a certificate of public convenience and necessity to proceed with the construction as set forth in the supplemental information herein approved.

2. The financing plan for the proposed construction be and it hereby is approved.

3. The Commission's order entered October 10, 1985, be and it hereby is affirmed in all other respects.

Done at Frankfort, Kentucky, this 22nd day of April, 1986.
