O R D E R

IT IS HEREBY ORDERED that Delong Electronics ("Delong") shall file the original and 10 copies of the following information within 3 weeks of the date of this Order. If the required information or a motion for extension of time is not filed by the stated date, the case may be dismissed.

1. Provide cost justification for the \$75 connection fee showing detailed cost elements making up this sum.
2. Is the \$10 rate shown on Exhibit A as the rate "per month per user" correct, or is this rate to be charged "per paging unit"?
3. Provide the proposed rules and regulations governing the paging service including deposit policy, billing and payment policies, or other conditions of service.
4. Is the proposed \$10 rate compensatory?
5. Provide billing and usage information for the current radiotelephone service for a 1-month period based on the number of

customers at the time of filing in sufficient detail to show revenue produced from the various rate elements.

6. Provide similar information for paging customers anticipated to be served within a 1-year period from the time paging service is initiated.

7. Provide the estimated monthly cost of providing service for a 2-year period.

8. Documentation of sufficient financial backing to sustain operations if projections indicate operating at a loss for any portion of this 2-year period.

9. Provide articles of incorporation, if applicable.
