BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AT&T COMMUNICATIONS TARIFF)	
PROPOSAL FOR SOFTWARE DEFINED)	CASE NO. 9519
NETWORK SERVICE)	

O R D E R

The Commission, on its own Motion, HEREBY ORDERS that a hearing be and it hereby is scheduled on July 25, 1986, at 9:00 a.m., Eastern Daylight Time, in the Commission's Offices, Frankfort, Kentucky.

The purpose of the hearing is to consider testimony and other evidence on the proposal for software defined network ("SDN") service, including the following issues which shall be addressed:

1. Specification of any intraLATA uses of SDN which AT&T Communications ("ATTCOM") considers essential to the viability of the service.

2. The economic feasibility of blocking, specifically addressing the concerns raised by the parties in Docket No. 85-05-081 in California, as set forth in the May 20, 1986, order in that case.

3. Methods of compensating local exchange carriers for unauthorized intraLATA SDN traffic.

IT IS FURTHER ORDERED that ATTCOM shall prefile its testimony on or before July 18, 1986, and that ATTCOM shall attach thereto a copy of the California and Georgia orders on SDN.

Done at Frankfort, Kentucky this 3rd day of July, 1986.
