In the Matter of:

INVESTIGATION OF INTERLATA)
CARRIER BILLED MINUTES OF USE) ADMINISTRATIVE
AS A ULAS ALLOCATOR) CASE NO. 311

O R D E R

On April 30, 1987, the Commission released an Order in this case setting a procedural schedule. On May 18, 1987, the Attorney General, through the Utility and Rate Intervention Division, filed a motion for deviation from the procedural schedule. Specifically, the Attorney General requested a deviation from the procedural schedule so as to be able to (1) file a motion to incorporate an alternative ULAS allocator into the investigation on or before June 1, 1987, and (2) submit data requests and receive responses prior to the filing of testimony.

The Commission, having considered the motion and being advised, will therefore modify the procedural schedule.

IT IS THEREFORE ORDERED that:

1. Parties may file motions to incorporate alternative ULAS allocators through June 1, 1987.

2. An Order designating alternative ULAS allocators to be considered and issues of interest to the Commission shall be released no later than June 15, 1987.

3. Parties wishing to submit data requests to other parties shall do so no later than July 1, 1987, with responses due no later than July 15, 1987.

4. Parties wishing to file testimony shall do so no later than July 31, 1987.

Done at Frankfort, Kentucky, this 28th day of May, 1987.
