

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE EFFECTS OF THE FEDERAL TAX )  
REFORM ACT OF 1986 ON THE RATES OF ) CASE NO. 9784  
COLUMBIA GAS COMPANY OF KENTUCKY )

O R D E R

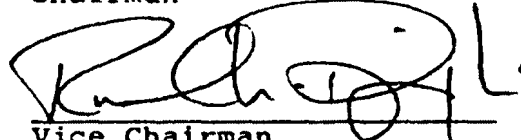

On December 22, 1986, Columbia Gas of Kentucky ("Columbia") filed a letter with the Commission requesting that it not be required to file the tariffs and information set out in the Commission's Order of December 12, 1986, until "no later than April 30, 1987," as stated in the settlement agreement adopted by the Commission in Case No. 9554, An Adjustment of Rates of Columbia Gas Company, Columbia's most recent rate case. The Commission believes that this language can be interpreted in various ways with regard to investigations conducted by the Commission but will grant Columbia's request. However, the Commission strongly urges Columbia to file the information requested in this case as soon as possible in order to cooperate with the Commission's efforts in its investigations of numerous aspects of the Tax Reform Act ("TRA"). This should also be to Columbia's benefit since it will allow earlier participation in the proceedings. The Commission further wishes to make it clear to Columbia that all information requested in the December 12 Order must be filed in order for the Commission to determine the reasonableness of Columbia's filed tariffs.

IT IS THEREFORE ORDERED that Columbia's request as described in the above findings be and it hereby is granted.

Done at Frankfort, Kentucky, this 14th day of January, 1987.
