OF PUBLIC CONVENIENCE AND )  
NECESSITY TO OPERATE AS A RADIO- ) CASE NO. 9832  
TELEPHONE UTILITY PROVIDING )  
PAGING SERVICE FOR THE LOUISVILLE, )  
KENTUCKY, AREA )

O R D E R

On January 7, 1987, South Shore Radio, Inc., ("South Shore") filed its application for a Certificate of Public Convenience and Necessity ("CPCN") to operate as a radiotelephone utility, providing paging service for the Louisville, Kentucky, area, as more specifically described in its application.

On January 13, 1987, the Commission ordered that additional information be filed, pertaining to initial cost of operation and how prospective customers were located. This additional information was filed on January 21, 1987.

On January 23, 1987, letters were sent to the various certified paging companies operating in the same area, as specified in South Shore's application, and there was no request for intervention.

FINDINGS AND ORDERS

The Commission, having considered the application and additional requested information, and being advised, is of the opinion and finds that:

(1) Public convenience and necessity will be served by the provision of the proposed paging service;

(2) South Shore is technically and financially capable of providing the proposed paging service, and therefore a CPCN should be granted to South Shore;

(3) The rates and charges in Appendix A are fair, just and reasonable and should be approved for services rendered.

IT IS THEREFORE ORDERED that:

(1) South Shore be and it hereby is granted a Certificate of Public Convenience and Necessity to construct and operate its proposed paging service within the area defined in its application.

(2) The rates and charges in Appendix A be and they hereby are approved for service rendered on and after the date of this Order.

(3) Within 30 days from the date of this Order, South Shore shall file with the Commission its tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 11th day of March, 1987.
