

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF )  
CAMPBELL COUNTY WATER DISTRICT ) CASE NO. 9858

O R D E R

On February 5, 1987, Campbell County Water District ("Campbell County") filed its revised tariff sheet with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to KRS 278.015 and 807 KAR 5:068, Purchased Water Adjustment.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that:

1. Campbell County purchases water from the City of Newport ("City") and Kenton County Water District No. 1 ("Kenton County").
2. The City of Newport increased its rate for purchased water from \$.3970 to \$.52 per 1,000 gallons effective February 1, 1987. There was no change in the cost of water purchased from Kenton County Water District No. 1.
3. Campbell County purchased 1,613,415,400 gallons of water from the City and 193,836,200 gallons from Kenton County during the 12 month period ending December 31, 1986. Campbell County sold 1,807,251,600 gallons of water during the same 12-month period.
4. Campbell County proposed to increase the rates to its customers effective March 1, 1987.

5. Campbell County's calculations are correct and show an increase in purchased water costs of \$198,450, resulting in a purchased water adjustment of \$.13 per 1,000 gallons.

6. The rates proposed by Campbell County are incorrect in that Campbell County erroneously increased each step of the rate schedule by \$.39 rather than increasing the minimum bill by \$.39 and adding \$.13 to each succeeding step of the rate schedule.

7. The purchased water adjustment of \$.13 per 1,000 gallons and the rates in Appendix A are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Campbell County be and they hereby are denied.

2. The purchased water adjustment of \$.13 per 1,000 gallons and the rates in Appendix A be and they hereby are approved effective for services rendered on and after March 1, 1987.

3. Within 30 days of the date of this Order, Campbell shall file its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 2nd day of March, 1987.
